in his campaign the more he plays the demsgogue. He appeared in this role last Saturday night, when he denounced William P. Hubbard as a monopolist, because Mr. Hubbard as a monopolist, because Mr. Hubbard, having been successful as a lawyer, has invested his savings in Wheeling industries. Pendleton denounces this as an offense against society, and wants the people to rebuke that kind of thing by voting against Hubbard and for Pendleton.

The INTELLORNCER freely admits that no such charge can truthfully bebrought against John O. Pendleton. If he has ever made any money by his practice as a lawyer no workingman in Wheeling or elsewhere has ever had the benefit of a dollar of it. He has not identified himself with anything which gives a days work or a dollar of wages to any human being.

Pendleton has chosen to make this issue. Protectionists, interested in the industrial development of Wheeling and of West Virginia, who welcome the investment of money which provides emissions.

GOVERNOR HILL AGAINST HIMSELF.

Rev. J. O. R. Corles, pastor of the Methodist Church at New Gretne, Burlington county, N. J., writes very encouragingly as follows:

Dr. G. W. Kirk, Dear Sir—About four years ago I took a heavy cold that resulted in a stubborn catarrh. It increased in severity, gradually extending downward to the pharynx and larynx, thence to the bronchia. The back part of my throat was covered with ulcers; my voice lost its strength and resonance, sometimes fading away into aspirations. To go out into cool air was to be filled up with phlegm and uncous until it was no pleasure to leave the house.
